

Home Learning

English and Maths daily lessons will be followed on The Oak Academy website. Phonics/Spelling work will be provided by your class teacher through Class Dojo. Daily topic work is detailed in the timetable below.

It is expected that you do-

	1 hour	20 minutes	1 hour	20 minutes
Daily	Writing	Reading	Topic	Online Lesson
	Maths	Phonics/Spelling/TT rockstars		

You need to take a picture of your work and put it on to class dojo each day so your teacher can see how you are doing, offer support and next steps.

At the end of your time at home, you must bring all the work you have completed into school. Your teacher will need this for your work file.

Keep in touch by using class Dojo and we will see you soon.

Home Learning Timetable

Week 3	English	Maths	Topic Lessons (History/Geography/Science)	Spelling
Day 1	<p><u>To analyse 'Carnival Jumbie'</u> In this lesson, we will read 'Carnival Jumbie' and listen to a reading by John Lyons from CLPE. We will learn about the context and then analyse the poem's structure, language, themes and tone. Please note this lesson covers slavery and enslaved people. If this is a sensitive topic for your child then please make sure they are adequately supervised. https://classroom.thenational.academy/lessons/to-analyse-carnival-jumbie-6mv3jt</p>	<p><u>Recognising Decimal Tenths (Part 1)</u> In this lesson, you will represent tenths using fractions and decimals and accurately read decimal tenths. https://classroom.thenational.academy/lessons/recognising-decimal-tenths-part-1-ctgkcd</p>	<p><u>How are organisms adapted to cold environments?</u> In this lesson, we will learn about the conditions present in the cold environments of the Arctic and Antarctica. We will learn how animals are adapted to live in these environments. We will make our own fact cards which can be used in a game. You will need a piece of paper, a pencil, a ruler and scissors for this lesson. https://classroom.thenational.academy/lessons/how-are-organisms-adapted-to-cold-environments-c9h3ac</p>	<p><u>To investigate homophones</u> In this lesson, we will investigate homophones in detail, learn what homophones are, and explore the meaning of words in depth, spotting spelling rules. https://classroom.thenational.academy/lessons/to-investigate-homophones-69jk0r</p>
Day 2	<p><u>To practise and apply knowledge of suffixes: -ial, including test</u> In this lesson, we will be practising and applying knowledge of the -ial suffixes. https://classroom.thenational.academy/lessons/to-practise-and-apply-knowledge-of-suffixes-ial-including-test-6xgk4d</p>	<p><u>Recognising Decimal Tenths (Part 2)</u> In this lesson, you will describe how full a container is using decimal tenths. https://classroom.thenational.academy/lessons/recognising-decimal-tenths-part-2-64upac</p>	<p><u>What adaptations do nocturnal animals have?</u> In this lesson, we will be learning about why some animals are nocturnal. We will also be learning about some of the adaptations that allow nocturnal animals to be so successful at night. You will need a piece of paper, a pencil and some colouring pencils for this lesson. https://classroom.thenational.academy/lessons/what-adaptations-do-nocturnal-animals-have-6rw68r</p>	<p><u>To practise and apply knowledge of homophones</u> In this lesson, we will review homophones and spelling rules from the last spelling lesson. We will use an exciting new strategy to help us remember our spelling words and a spelling test at the end of the lesson. https://classroom.thenational.academy/lessons/to-practise-and-apply-knowledge-of-homophones-including-test-6xk36d</p>
Day 3	<p><u>To analyse 'Carnival Dance Lesson'</u> In this lesson, we will read 'Carnival Dance Lesson' and listen to a reading by John Lyons from CLPE. We will learn about the context and then analyse the poem's structure,</p>	<p><u>Comparing Decimals</u> In this lesson, you will explain how you can compare two decimal tenths. https://classroom.thenational.academy/lessons/comparing-decimals-61j38d</p>	<p><u>How are organisms adapted to live underwater?</u> In this lesson, we will learn about the different adaptations that marine animals have that allow them to survive in underwater environments. We will look at how they are</p>	<p>Today, make sure you have done the spelling worksheet on the portfolio. There are 2 sides to this.</p>

	<p>language, themes and tone.</p> <p>https://classroom.thenational.academy/lessons/to-analyse-carnival-dance-lesson-70u66d</p>		<p>able to breathe, move and camouflage. You will need a piece of paper, a pencil and a ruler</p> <p>https://classroom.thenational.academy/lessons/how-are-organisms-adapted-to-live-underwater-c5k3gd</p>	
Day 4	<p>To generate and develop vocabulary (Part 2)</p> <p>In this lesson, we will recap the tone and themes of John Lyons' poems 'Carnival Jumbie' and 'Carnival Dance Lesson'. We will then create senses word maps to describe what we might see and hear at a carnival to use in our own poems.</p> <p>https://classroom.thenational.academy/lessons/to-generate-and-develop-vocabulary-part-2-6dhpdd</p>	<p>Rounding Decimals (Part 1)</p> <p>In this lesson, you will explain how to round numbers with one decimal place.</p> <p>https://classroom.thenational.academy/lessons/rounding-decimals-part-1-crvk6c</p>	<p>How are organisms adapted to live in the deep sea?</p> <p>In this lesson, we will learn about the deep sea environment and the adaptations that organisms have evolved to survive there. We will also learn about deep sea conservation and create a poster to convince our schools to support this cause.</p> <p>https://classroom.thenational.academy/lessons/how-are-organisms-adapted-to-live-in-the-deep-sea-74t64c</p>	<p>To investigate silent letters</p> <p>In this lesson, we will investigate silent letters, highlighting etymology and spotting patterns.</p> <p>https://classroom.thenational.academy/lessons/to-investigate-silent-letters-c9gk4r</p>
Day 5	<p>To write a poem</p> <p>In this lesson we will use our senses word maps and inspiration from John Lyons' poems to write our own poems about a carnival. We will include a rhyming refrain and will perform to a beat or rhythm.</p> <p>https://classroom.thenational.academy/lessons/to-write-a-poem-6gwk2c</p>	<p>Rounding Decimals (Part 2)</p> <p>In this lesson, you will use your rounding skills to solve problems.</p> <p>https://classroom.thenational.academy/lessons/rounding-decimals-part-2-64t38t</p>	<p>Music Understanding pulse and rhythm</p> <p>In this lesson, we are going to find the pulse in songs and explore rhythm.</p> <p>https://classroom.thenational.academy/lessons/understanding-pulse-and-rhythm-c8up2t</p>	<p>To practise and apply knowledge of silent letters</p> <p>In this lesson, we will practise and apply our knowledge of silent letters and take our spelling test.</p> <p>https://classroom.thenational.academy/lessons/to-practise-and-apply-knowledge-of-silent-letters-including-test-6mvkjc</p>
