

## Welcome to year 6!

Each week your child will receive reading, spelling, and maths homework. This homework sheet is designed for you and your child to explore various opportunities to support their learning this term.

We would like children to complete at least five of these projects each half term. Your child has until the Easter holiday to complete 5 of these projects. Children's achievements will be celebrated and rewarded in school. Your child can use ICT to present their projects if they would like to.
