

The de Ferrers Trust

The de Ferrers Trust Values Art Competition

When people start to work in schools across The de Ferrers Trust, we give them some information about what it is like working here. We call them our Trust Values. You will know about these values of **'Work hard, be kind, choose wisely'**, but we like to tell the staff too.

The Human Resource team, the people who deal with recruiting the staff, is re-designing the information we give out and would like your help.

We want you to produce a piece of artwork that shows what The de Ferrers Trust Values mean to you. We will include the winning entry and runners up in the information packs that we give out.

What do we win?

First prize will be a £50 Amazon e-voucher. The two runners up will receive a £25 Amazon e-voucher each.

To enter you should:

- Make sure the artwork fits in the box on the next page
- Include some or all of the values of **'work hard, be kind, choose wisely'**. You decide what these mean to you.

We know you might not have lots of art materials at home with you so just use what you have got. A pencil or pen is fine.

Email your entry to trusthr@deferrerstrust.com by **Thursday 30 April 2020**. You might need to take a photo of your entry or ask a parent/carer to do that for you. If you can't email this, please send it to your school for them to email on your behalf.

Examples

The de Ferrers Trust

Please fit your art in the square shape below so that it can be changed into an electronic image.
Please let us have your finished artwork back by **Thursday 30 April 2020**.
